

# **MRP Company**

## **Metal Recycling & Processing**

260 Schilling Circle, Hunt Valley, MD 21031

Metal Recycling & Processing Co., Inc. (MRP Company) provides collection, consolidation, processing, brokering and shipping of precious metal scrap, non ferrous scrap, and tested working electronics. Established in 1987, we are a full service international metal trading company with an excellent reputation and strong financials. We are R2:2013 and ISO 14001 certified, charter members of ISRI's Circle of Safety Excellence, and are proud of our broad customer base that continues to work with us year after year.

MRP is currently looking for experienced E-Scrap buyers to join our team. Candidates should have a working knowledge of precious metal and non ferrous scrap generated by e-scrap processors. Candidates with current accounts are preferable but this is not a requirement. Honesty and integrity are the cornerstones of our business and we are looking for candidates that share our philosophy.

#### **Duties:**

- Identify and qualify new business opportunities
- Build a consistent pipeline of suppliers
- Manage accounts, serve as a focal point to ensure customer satisfaction
- Must be willing to travel to customer locations
- Report directly to top management

We offer a very competitive compensation package which would include performance based bonuses.

All interested candidates should send a brief description of their qualifications to [info@mrpcompany.com](mailto:info@mrpcompany.com)
