

# CyberCrunch® Partners with DELCO District Attorney to Prevent Identity Theft

DELCO District Attorney, Katayoun M. Copeland sponsors FREE Identity Theft event. CyberCrunch provides data destruction to residents of Delaware County.

ASTON, Pa. (PRWEB) May 24, 2018

CyberCrunch, a certified, full-service data destruction and e-waste recycler partners with DELCO District Attorney, Katayoun M. Copeland to provide FREE physical data destruction service for Delaware County residents.

"Many of us have old computers and cell phones that contain personal data that we would not want in the hands of others. The safest way of making sure that data is never compromised is to have the hard drive or cell phone shredded," said Serdar Bankaci, President of CyberCrunch.

CyberCrunch's digital data destruction service ensures fast and secure destruction of hard drives and other data storage devices. Complete destruction of data ensures that classified data or highly sensitive business data on your hard drive or mobile devices does not fall into the wrong hands.

Proper data destruction services involves some cost but on Saturday, June 2nd from 9 am to 12 pm, District Attorney Katayoun M Copeland is sponsoring a FREE data destruction event for Delaware County residents. The professionals from CyberCrunch will be onsite to physically destroy your media so there is no chance of data recovery.

"These days our cell phones and computers contain all of our personal details such as passwords, account numbers, addresses and phone numbers which a criminal could use to steal your identity, steal your life savings," said District Attorney Katayoun Copeland. Protecting both sensitive personal and business data couldn't be easier. CyberCrunch professionals will be onsite to securely shred your hard drives, mobile devices, and removable media. There is no need to remove your hard drive from your desktop or laptop. You can bring the computer to the event and CyberCrunch will handle the rest.

This FREE data destruction event will take place at:  
Clifton Heights Firehouse Parking Lot  
20 W. Baltimore Avenue  
Clifton Heights, PA.

All Delaware County residents who need data destruction will be welcome.

The Public should please take note that the event is for data shredding only. No TVs, CRTs, computer monitors or any other type of electronics will be accepted. Information for e-waste recycling will be available at the event.
