Ref: State of New Hampshire, Contract # 8001614

Dear Mr. Manssuer:

Your letter, dated March 19, 2015 stated that all unresolved discrepancies would be fully cured by March 31, 2015 and the State of New Hampshire has yet to receive all rebates owed according to the contract terms, this has resulted in a failure to cure default.

The State has given Diversified Recycling multiple opportunities to correct the load discrepancies from the August 8, 2014 and September 26, 2014 electronic waste loads, as well as rebate payments for the December 2, 2104 and January 7, 2105 loads. Unfortunately, corrections have not been made. Effective today, May 13, 2015, State of New Hampshire Contract #8001614 with Diversified Recycling is cancelled.

Furthermore, due to the failure to cure default, it is the intent of the State of New Hampshire to place Diversified Recycling on the State Debarred Parties List in accordance with RSA 21-1:11-c. Diversified Recycling may request a hearing with the Division of Administrative Services no later than June 5, 2015. After 30 days from the date of this notification, Diversified Recycling will be posted on the Division of Administrative Services website, under the Debarred Parties List.

Individuals or entities appearing on the Debarred Parties List are debarred from submitting bids, quotations, or proposals to the Division of Administrative Services. Diversified Recycling will remain on the Debarred Parties List for a period of three years.

Thank You,

Paul Rhodes
