Camston Wrather Appoints Darrell Stoecklin as New EVP of Finance and Accounting

Carlsbad, CA - Camston Wrather, a leader in precious metal recovery, is pleased to announce the appointment of Darrell Stoecklin as its new Executive Vice President of Finance and Accounting. With a proven track record in finance, accounting, and executive leadership, Stoecklin brings valuable experience to his new role, having successfully navigated a variety of industries including ITAD, electronics recycling, manufacturing, hedging, refining, and more.

Dirk Wray, Chairman & CEO of Camston Wrather, commented on the appointment: "We are excited to welcome Darrell to the Camston Wrather team. His extensive experience and strong leadership skills make him the perfect fit for our organization as we continue to grow and transform the industry. Darrell's 'get it done' attitude and broad and practical industry experience will be invaluable as we tackle new opportunities in the market."

Stoecklin joins Camston Wrather after a successful tenure at SIMS Lifecycle Services / SLS, where he served as Chief Financial Officer for global operations. He played a pivotal role in the company's growth and transformation, providing financial and strategic counsel during operational and management changes, and SLS' transition into IT asset and data center infrastructure reuse, redeployment and recycling.

Regarding his new role, Stoecklin expressed enthusiasm: "I am thrilled to join Camston Wrather, a company known for its innovation and transformative approach. I look forward to leveraging my experience and expertise to contribute to the company's continued success and growth in the industry."

Throughout his career, Stoecklin has demonstrated an ability to manage multiple concurrent time-sensitive projects and develop strategic, forward-thinking solutions. He is known for his strong analytical problem-solving skills and for engaging with all parts of a business to gain a holistic view. These skills, combined with his experience in leading financial operations for global teams, make Stoecklin an excellent addition to Camston Wrather's executive team.
