RE: Dalton Carpet Mart

Dear Ms. Houghton:

Signature Hospitality Carpet, LLC has been listed as a manufacturer since the first list was published by CARE on December 1, 2011 (a copy of which is attached).

In February, 2014, Dalton Carpet Mart was incorrectly designated as a Manufacturer. As you can see from the listing from February 26, 2014 (a copy of which is attached), Dalton Carpet Mart is listed as a parent company and Signature Hospitality Carpets, LLC is listed as a sub-company of Dalton Carpet Mart. In that same listing, Signature Hospitality Carpets, LLC is listed as a parent company and Dalton Carpet Mart is listed as a sub-company of Signature Hospitality Carpets, LLC. This same pattern of listing continued in each subsequent listing until March 15, 2017 when a correction was made. In the March 15, 2017 and the June 14, 2017 listings, Dalton Carpet Mart is not listed as a manufacturer; it is correctly listed as a sub-company of Signature Hospitality Carpets. Copies of those listings are attached.

Dalton Carpet Mart is a trade name used by Signature Hospitality Carpets, LLC. California shipments or sales made by Dalton Carpet Mart would be recorded under Signature Hospitality Carpets, LLC.

Please let me know if you need any additional information regarding this matter.

Very truly yours,

Jonathan F. Kent
