14 Plaintiff,

15 v.

16 KEURIG GREEN MOUNTAIN, INC.,

17 Defendant.

Case No. 4:18-cv-06690-HSG  
Assigned to Hon. Haywood S. Gilliam,  
Jr.

**JOINT ADMINISTRATIVE  
MOTION TO STAY PROCEEDINGS  
AND TO MODIFY CASE  
SCHEDULE**

1 Pursuant to Civil Local Rule 6-3, Plaintiff Kathleen Smith (“Plaintiff”) and Defendant  
2 Keurig Green Mountain, Inc. (“Defendant”) (collectively, the “Parties”) hereby move the Court to  
3 stay all proceedings in this matter other than those related to approval of a proposed settlement,  
4 and to replace the current schedule in this case with a schedule for Plaintiff’s anticipated motion  
5 for preliminary approval of class action settlement agreement. The Parties are pleased to report  
6 that they have reached an agreement in principle to resolve all claims raised by Plaintiff and the  
7 Class. The Parties are diligently working to convert the terms of their agreement (which are  
8 currently memorialized in a term sheet) into a settlement agreement.

9 **BACKGROUND**

10 On October 21, 2020, this Court set case deadlines pursuant to Federal Rule of Civil  
11 Procedure 16 and Civil Local Rule 16-10 (ECF No. 103).

12 On May 11, 2021, the Parties participated in a full day of mediation with the Honorable  
13 Morton Denlow.

14 On June 4, 2021, the Parties filed a Stipulation to extend the deadlines to exchange  
15 opening expert reports, rebuttal expert reports, and the close of discovery by one month (ECF No.  
16 117), which the Court granted (ECF No. 119).

17 On July 14, 2021, the Parties filed a Joint Administrative Motion to extend the deadlines to  
18 exchange opening expert reports, rebuttal expert reports, and the close of discovery by three  
19 months (ECF No. 114), which the Court granted (ECF No. 115).

20 On September 21, 2021, the Parties participated in a second full day of mediation with the  
21 Honorable Morton Denlow. Since the mediation, the Parties have continued to pursue settlement  
22 discussions, both on their own and with the assistance of the mediator.

23 On October 26, 2021, the Parties reached an agreement in principle to resolve all claims  
24 raised by Plaintiff and the Class. The Parties are diligently working to convert the terms of their  
25 agreement (which are currently memorialized in a term sheet) into a settlement agreement.

26 **DISCUSSION**

27 The Parties are very mindful of the Court’s reluctance to modify the case schedule in this  
28 matter. However, good cause exists to stay proceedings in this case (except those related to the

1 proposed settlement) and to suspend the current schedule and to replace it with a schedule for  
 2 Plaintiff's motion for preliminary approval of class action settlement agreement. The Parties have  
 3 reached an agreement to resolve all claims raised by Plaintiff and the Class, and believe it makes  
 4 sense to prioritize converting the terms of their agreement (which are currently memorialized in a  
 5 term sheet) into a settlement agreement and then to seek the Court's preliminary approval of the  
 6 settlement agreement rather than focusing their attention on expert reports and discovery.

7 The Parties' proposed schedule below is based on the Court's "Scheduling Notes," which  
 8 currently indicate that the soonest available date for law and motion matters is March 10, 2022.

9 Accordingly, the Parties jointly request that the Court stay all proceedings in this matter  
 10 except those related to approval of a class action settlement and to replace the current case  
 11 schedule with a schedule for Plaintiff's motion for preliminary approval of class action settlement  
 12 agreement as follows:

Event	Proposed Deadline
Motion for Preliminary Approval of Class Action Settlement	February 24, 2022
Hearing on Motion for Preliminary Approval of Class Action Settlement	March 10, 2022
