OF CONSTRUCTION
DEBRIS**

**SHREDDED
IN 3 HOURS**

**TYRON
2000XL**

STRONGER HYDRAULIC SYSTEM, LONGER LIFETIME, MORE POWERFUL THAN EVER

Out-feed Belt

- 1400 mm wide out-feed belt with discharge height of 4800 mm

Overband Magnet

- Hydraulically height adjustable
- Extra strong neodyn magnet

Shredding Shafts

- 4 - crush settings: wood, greenwaste, waste, bespoke
- Shaft speed, direction and reversing time are easily programmable

Engine

- Powerful "Scania DC 09" diesel engine
- Low fuel consumption
- Improved noise protection

Tilting Hopper

- Direct in-feed of extra long materials to the shafts

Remote Control

- Operating the tracks and tilting the hopper

50 Years Old Never Looked So Shredded!

**Call us at
800-245-2497
to learn
more!**

We may be getting old...but our equipment and service have never been in better shape.

Thanks to You We're Better Than Ever!

Who would have thought that a small idea by a farmer from Navarre, OH would end up turning into the premiere paper shredder manufacturer in the world? We certainly didn't...but thanks to John Wagner's innovative work and all of our long time customers, we are here stronger than ever.

So to all our faithful customers, we thank you so much for trusting in us to supply you with the best equipment possible when you buy from Allegheny. As Evelyn Jefferson (aka Shredder Mom) says, "We learn just as much from you as you do from us!"

**Here's cheers to 50 years ...
we plan on 50 more!**
