

FOR IMMEDIATE RELEASE – Kalamazoo, MI – Schupan & Sons, Inc. (www.schupan.com) is pleased to announce the addition of Michael Anderson to the Materials Trading Division based in Chicago, IL .

Michael Anderson joins Schupan & Sons, Inc. as Vice President of the Materials Trading Division. Prior to this role, Michael enjoyed a successful 12-year career with Novelis where he held various positions of increasing responsibility, including: managing their North American scrap tollers, overseeing scrap quality, identifying and deploying new recycling technologies, and supporting their automotive closed loop initiative.

“Schupan is experiencing growth in virtually every division: scrap metal recycling, beverage container processing, new material sales and manufacturing, and in electronics recycling and asset management,” said Andy McKee, President of the Materials Trading Division. “Michael is a natural fit, given his customer-centric, relationship-based, honest approach. He is incredibly respected and brings a diverse background that will keep us moving forward. We couldn’t be more pleased to have Mike as part of the Schupan team.”

Michael holds a bachelor’s degree in Business Management from Kent State University and an MBA from Cleveland State.

About Schupan & Sons, Inc.

Schupan & Sons, Inc., is a third generation, family-owned metals and plastics business specializing in industrial and electronics recycling, metals & plastics fabrication and distribution, material trading, and beverage container processing with fifteen facilities throughout Michigan, Ohio, Indiana and Illinois.
