ORDER

This matter is before the Court on the Kuusakoski Defendants' Memorandum in Response to Plaintiffs' Motion for Settlement Approval, and Request for Clarification of Process for Approval of Future Settlements. (ECF No. 328; 2:17-cv-783). The Kuusakoski Defendants request that the Court "establish a process for the procedural and substantive fairness evaluation of any future settlements." (*Id.*). That request is well taken. In future, the Court **DIRECTS** the non-settling Defendants to file their objections to any proposed joint settlement within 10 days of the filing of the proposed joint settlement. The Court further **DIRECTS** the settling Defendants to respond to any objections within 10 days of the filing of those objections.
