## **The Vested Group Joins TERRA as its Exclusive ERP Solutions Provider**

NASHVILLE, Oct. 28, 2020 – TERRA, the largest network of Certified e-waste recycling and IT asset disposition (ITAD) solutions providers in North America, today announced The Vested Group will serve as the organization’s exclusive ERP sponsor.

The Vested Group’s electronics processing solution, reVESTED, is a complete business management system that addresses the complex requirements companies in the electronics refurbishing, recycling, and distributing industry face.

“We understand the unique needs and business processes of Certified recyclers and have built an end-to-end solution on the NetSuite platform that is integrated with NetSuite’s market leading cloud ERP system,” said Joel Patterson, Founder at The Vested Group.

Using NetSuite’s powerfully flexible platform, reVESTED resolves the most complicated business challenges and brings simplicity and clarity to electronics reuse and recycling operations.

“The Vested Group recognizes the indispensable service and value e-Stewards and R2 Certified organizations deliver to the marketplace,” said Steven Napoli, President & CEO of TERRA. “We’re proud they’ve joined TERRA and can offer their comprehensive solutions to our members.”

###

### **About TERRA-The Electronics Reuse & Recycling Alliance**

*TERRA is the largest network of e-Stewards and R2 Certified e-waste recycling and IT asset disposition (ITAD) solution providers in North America with member facilities across the United States, Canada, and Mexico. We are dedicated to eliminating hazardous e-waste from contaminating the air, land and water by diverting used electronics to the care of responsible Certified service providers to maximize the sustainable reuse and recycling of natural resources. #certificationmatters*
