FOR IMMEDIATE RELEASE

Schupan & Sons, Inc. Welcomes New Vice President of Human Resources

Kalamazoo, MI, July 26, 2020 – Schupan & Sons, Inc. (www.schupan.com) announces the addition of Sheila Lipsey as Vice President of Human Resources.

In her role, Sheila will be responsible for developing the company-wide human resources strategy. She will work alongside management and division presidents on driving performance, teamwork, and employee development to achieve Schupan’s long-term business objectives.

Sheila joins Schupan from Altium Packaging, most recently as Human Resources Director. Sheila will report to Schupan COO

Tom Emmerich and will be a member of the executive leadership team.

“Sheila’s experience, passion, and insights will play a vital role as Schupan continues to grow its business, employees, and environmental commitments,” Tom Emmerich, COO of Schupan, stated. “Her leadership will be critical as we continue to invest in the talent and ongoing skills needed for a global workforce.”

Sheila holds a Bachelor of Science degree in Business Administration: Human Resources Management from Western Michigan University; is certified SPHR; completed OSHA 30-Hour General Industry and 30-Hour Construction Industry; is certified as a Professional Coach (iPEC) and Energy Leadership Index Master Practitioner (ELI-MP). Her appointment was effective July 6.

About Schupan & Sons, Inc.

Schupan & Sons, Inc., is a third generation, family-owned metals and plastics business specializing in industrial and electronics recycling, asset management, fabrication and distribution, beverage container processing, and materials trading with fifteen facilities throughout Michigan, Ohio, and Indiana. It was incorporated in 1968 by Nelson L. Schupan.
