

Jurisdiction Procurement Targets Based on January 1, 2021 Population Estimates

The list below indicates the annual recovered organic waste product procurement targets for each jurisdiction (city, county, or city and county) in California that will be in effect from January 1, 2022 through December 31, 2026. This data is organized alphabetically by county and includes all cities within the county and the unincorporated county.

Rural jurisdictions are included in the list below; however, please note that rural jurisdictions may be eligible to delay their implementation of the procurement requirements. Rural counties (counties that have a total population of less than 70,000 persons), and jurisdictions located within rural counties that are exempt from the organic waste collection requirements pursuant to 14 CCR Section 18984.12(c), are not required to comply with the recovered organic waste product procurement requirements until January 1, 2027.

For more information, please contact CalRecycle at SLCP.Organics@CalRecycle.ca.gov.
